

**Josef Chromy  
Pinot Noir 2013  
Tasmania**

**96**

The quality on offer here is striking, marrying the best of attractive ripe red and dark fruit characters with earthy spice and more savoury complexity, some blue fruits too, really engaging. The palate is wrapped together with fine even tannin and holds a wealth of perfectly ripe sweet cherry and mulberry flavoured fruit flesh. Fine texture, long and precise, it frames the finish up beautifully, leaving a gently toasty, precise and juicy impression.
