Dear Martin,

This letter confirms that the vineyard audit completed in 2011 of **WW517 Harvest Rise Vineyard** and the fulfilment of subsequent recommendations was successful. The audit, completed by Water and Atmosphere Information Ltd (WAI), confirmed that your vineyard practices and record keeping met the Sustainable Winegrowing New Zealand standards. The audit has shown that you are clearly committed to the programme and we congratulate you on gaining '**Accredited Vineyard**' status.

Please ensure you keep this letter on file for audit purposes.

If you wish to promote your accreditation, application forms for logo use, including signage are available on the website.
