TANNAT MERLOT ZINFANDEL RESERVA CANELONES, URUGUAY

“Handcrafting iconic Tannat wines that express the unique terroir of Uruguay’s acclaimed Canelones region.”

ARTESANA is a boutique, single vineyard estate winery in the Canelones region of Uruguay specializing in Tannat, Tannat blends and Zinfandel the only Zinfandel planted and produced in Uruguay. Made with the highest quality estate grown fruit, Artesana’s handcrafted wines showcase Uruguay’s distinctive terroir and its signature varietal Tannat. Originally from France, Tannat produces rich, full-bodied wines with dark fruit and spice aromas and flavors. Named for its high tannin content, Tannat has been found to be the healthiest of red wines with 3-4 times higher antioxidant levels.

WINEMAKING

Artesana wines are made with minimal intervention, allowing the character of the fruit to be expressed. Gentle handling techniques are practiced throughout the process. Lots from the various Tannat, Merlot and Zinfandel blocks were fermented separately in small stainless steel tanks. 10-day cool maceration regimes provided excellent aroma and flavor extraction. Barrel aging was done in new and one to four year old French and American oak for 16 months to carefully accentuate the flavors of the wines. Custom blended and bottled without fining or filtration.

TASTING NOTES

Balanced, complex and elegant, with aromas and flavors of black fruit, blueberry jam and subtle floral notes reminiscent of violet on a background of cedar and toasted oak notes. It is a wine true to the vintage, region and to the people who make it.
