

### **2017 Estampa Estampa del Viento Rosé**

---

The previous Fina Reserva Rosé has been renamed 2017 Estampa del Viento Rosé, and it's now 100% Syrah from Paredones. It's very pale with an elegant and subtle nose mixing red berries and flowers, quite aromatic and attractive. It has a fresh palate with enough clout to stand up to a diversity of food. Its crunchy style is quite appropriate for a cool-climate Syrah. This has the soul of a white. It's a very pleasant rosé for immediate consumption. 13,000 bottles produced.
