## 2020 DEVOCIÓN

TANNAT • CABERNET FRANC • MERLOT  
CANELONES, URUGUAY

**ARTESANA** is a boutique winery in the Canelones region of Uruguay specializing in Tannat and Tannat blends, the signature variety of Uruguay. We aspire to create wines that embody the essence of the place they are from, sharing a dream of making authentic wines by women on an artisanal scale.

### WINEMAKING

Artesana wines are made with minimal intervention, allowing the character of the fruit to be expressed. Gentle handling techniques are practiced throughout the process. Lots from the various Tannat, Cabernet Franc and Merlot blocks were fermented separately in small stainless steel tanks. 8-10-day cool maceration regimes provided excellent aroma and flavor extraction. Barrel aging was done in new and one to four year old French and American oak for 14 months to carefully accentuate the flavors of the wines. Custom blended and bottled without fining or filtration.

### TASTING NOTES

An elegant and complex wine, imparting aromas and flavors of black fruit, blueberries, figs, subtle cedar and spice. On the palate it is balanced and refreshing with good volume and a lingering finish. It is a wine true to the vintage, region and to the people who make it.
