FERMENTATION NOTES

Fruit was machine harvested from mature internationally acclaimed Waipara Valley Sauvignon Blanc vines. Upon arrival at winery, pressed to tanks to settle overnight, clear juice racked to stainless-steel tanks. Fermented with a range of yeasts. Blended at the end of Winter and bottled after a few months resting on light lees, then filtration.

TASTING NOTES

This is intensely aromatic and immensely appealing on the nose showing passionfruit, feijoa, jalapeno and kaffir lime characters, followed by a flavoursome palate that's filled with delectable fruit flavours. Brilliantly structured by lively acidity, offering fabulous drinking. At its best: now to 2024.
